

CC meeting 1/13

Susan Harah

Acadience reading testing going really well, the school is showing great growth in all classes, some of the highest in the district. (just one class in 1st grade does not show the growth as other classes for many reasons.). Standards have increased since past years. School knows the areas they need to support - just a few kids.

Susan R.

WIDA is in progress and going well.

Kristin

Interventions & WIN groups going very well. During WIN kids doing very well, but putting it into practice is hard part. Kids need to read at home.

“Rescue plan” for those not passing. 1st grade in general in district wide went down compared to other years.

Stacey

Positive behavior plan. \$1500 budget.

Student council & Hope squad (going good - saw a kid graffiti) to learn about leadership and prevention and positive behavior. “Kindness Cafe” teachers recognize students doing kindness. “Buddy Bench” by Lions club (they want to play.) Puma store and Puma bucks. Buttons - focused on substance abuse and violence program by the district.

January 21 - Beautiful Me project for girls (company from NY) also Confidence Club for boys. Meeting for kids (gender separated) and meeting for parents on how to use and apply the program.

Tier 1 - Wellness room and second step. (In the classroom) also have a calming basket, if student does not want to go to Wellness room.

Tier 2 - interventions

Tier 3 - one on one work with

Susan

Hired a math interventionist. Progress monitoring going on so teachers get see how the kids are doing immediately.

Spring Math (intervention pilot program) excited to see how it will help.

Turnaround going well for the school. It's huge! We hope we pass! Will pass if do well on Rise testing. If don't get out, we have one more year to get out. Growth is the big thing they are looking for.

Eliza

Safety - the traffic flow is better with the change in the traffic. does not get backed up as bad as it used to be. Gate open to church parking lot so helpful. Less kids crossing across the street.

No concerns.

Lockout drill coming soon.

COVID a lot of kids absent for many reasons not just COVID. COVID not really bad, parents more responsible to keep kids home when sick.

Susan

Budget next year needs to be decided.

School have lots of aids and helps so much! So want to hire a few more aids but no one wants a job - add one to kindergarten, so don't have to split any classroom aids.

STEM

DSU Spanish INterns

Conga going awesome!

Beverly Foundation has to split costs.

Choir teacher, Paige is awesome.

Subs \$ needed sometimes

Nutcracker, hired extra help. Would love to do it next year and make it a tradition.

Violin going well.

Spanish Drama club, a play in Spanish!! Needs an assistant.

Anything else???
