

Community Council Minutes
January 9th, 2025 8:30am

-Language arts/reading/Math update:

-Monday students and teachers begin to start getting ready for RISE.

using a backward design

-MOY testing: improvement with pretty much every grade. Phenomenon with second grade dip, happens with every school all across 2nd grade.

-

-Computer programs:

-Need to make sure that all of the teachers give the students login info so students can use the programs at home.

-Consolidated School Improvement Plan and Reading Plan

-Reading Interventions: Literacy night coming up.

-Math interventions

-Professional development

-Update from Lesa Dewey: an individual progress plan has been for every student that has not yet reached proficiency.

-General Info

-APPL results

-WIDA update Susan Roberts

-Safety

Mrs. Maravilla presented possible silent alarm system and the need for roughly \$2000 to fund this. Possible for the PTA to fundraise for this.
